

FINANCE, OIL AND GAS

New York

NEW YORK, June 21.—So far as yesterday's stock market could be said to have any direct propelling force or definite factor, greater interest was evinced in the trend of events across the water than in domestic developments.

Reports of the resignation of the German cabinet were in circulation before the opening, and are believed to have accounted for the early irregularity, but this condition was of brief duration, the list hardening in every important quarter before the end of the first hour.

Trading during the forenoon and mid-session was characterized, however, by a degree of caution, although the continued ease of money, that is to say, call loans which opened at 8 per cent., later falling to 5, offered renewed encouragement to the long account. Although the turnover fell far short of the larger total of recent weeks, dealings were unusually broad, embracing a greater variety of rails, also steels, equipments and specialties, notably the food group.

Pittsburgh

PITTSBURGH, June 21.—Continued activity in the Riverside Oil stocks was the feature of the Pittsburgh Oil market and they contributed the bulk of the dealings. Riverside Eastern common and Riverside Western preferred advanced to new high levels and the entire group closed higher. Ohio Fuel Oil on small transactions advanced from 26 to 25 1/4 and closed at the best. Pittsburgh Oil & Gas was in good demand and advanced from 16 to 16 1/4.

American Window Glass Machine common was the strongest of its group and after selling at 8 1/2 and 8 3/4, net advanced to 8 1/2 bid at the close, a net gain of 1/4 share. The Westinghouse stocks were less active and the only changes was a decline in Air Brake from 12 1/4 to 12 1/2.

National Fireproofing was heavy. The common declined to 9 and the preferred to 10 1/4 and both closed at the lowest. The common stocks of the Brewing companies were active and closed fractionally higher, but the preferred issues were dull and unchanged. Independent Brewing bonds were 1/4 higher at 51. There was not much doing in the remainder of the list.

\$25250
*New high record.

Grain and Produce

CHICAGO, June 21.—Reports that a new German cabinet would sign the peace treaty did a good deal yesterday to lift the corn market to the highest level yet this season. However, shipper and industries then withdrew, and prices closed weak at the same as yesterday's finish to 1/4 lower, with July \$1.81 to \$1.81 1/4, and September \$1.74 to \$1.74 1/4. Oats lost a shade to 1/4. In provisions there were gains varying from 30c to 65c.

Oil and Gas.

Weston county is furnishing competitions with more regularity than any other district in West Virginia. All are located in defined territory and a few are better than average producers. In Greenbrier district Louis Borgelicht has completed in the Gordon sand No. 7 on the Isaac Eddy heirs farm. It is good for 20 barrels a day. No. 8 on the same farm is drilling but has been delayed with a fishing job. In the same district the South Penn Oil company is drilling a test on the Lowe-Davis farm.

Wood county is completing a few wells, all small pumps. In Union district, the Economy Oil company has drilled a test on the Daniel Gribble farm through the Berea grit. It is not good for more than three barrels a day. In the same district the Crumley Oil company No. 3 on the G. A. Elliott farm is showing for a five-barrel pump in the first Cow Run sand. In the same locality Zeller & Co. have started to drill a test on the H. Myers farm. The South Penn Oil company is drilling No. 17 on the L. Ogden farm.

At Sandy Summit on the right fork of Sandy creek, Reedy district, Boone county, A. S. Beck & Co. have started to drill a wildcat on the A. J. Heas farm. On Spring creek, Spencer district, the South Penn Oil company has started to drill a second test on

the J. W. Bower farm. In Curtis district the Ohio Fuel Oil company has the rig completed for No. 3 on the Thomas Allen farm. The Fisher Oil company and the Natural Gas company of West Virginia are due in the sand at a second test on the H. J. McCracken farm. In Spencer district the United Fuel Gas company has abandoned its test on the Kenny-Kirk farm.

In Southwest district, Doddridge county, the Carter Oil company's No. 2 on the E. M. Gaston heirs farm and No. 19 on the W. B. Maxwell farm are both Gordon sand gasers. In Ellsworth district, Tyler county, Haught Brothers have a duster at their test on the C. Woodrum farm. In the same district G. E. McCutcheon has the rig completed for a test on the D. W. Twyman farm. The South Penn Oil company has rigs completed for Nos. 10 and 11 on the Andrew Seckman farm.

EAST SIDE
--NEWS--

Splendid Meeting.
A splendid meeting of the Woman's mission Circle of the Palatine Baptist Church was held Thursday evening at the home of Mrs. Ida Sharp in Market street. There was a large attendance and a splendid program was carried out. The next month's meeting will be held at the home of Mrs. J. D. Summers in Diamond street.
